2. PAYMENT - Payment and a signed contract must be received 24 hours prior to the event. Payment by check, money order or credit card accepted. Coverage is not provided without receipt of payment and a signed contract.

B DURING TOURNAMENT

1. WITNESSES - One adult (21 years of age), non-participating observer, appointed by the Tournament Committee shall be stationed at the top prize hole during the event. Prize values exceeding \$25,000 require two observers; one at the green, the other at the tee-off area. Prize values exceeding \$100,000 require a law enforcement official as the second observer. Witnesses are optional on the bonus prize holes, unless otherwise specified.
2. YARDAGE - The selected hole(s) will measure from teeing ground to flagstick no less than the yardage printed on the Golf Club's Score Card and must meet the specified minimum yardage requirements. The hole yardage must play to the Score Card yardage and cannot be reduced to meet the minimum requirements. Grand prize minimum yardage for men is 165 yards and for ladies 150 yards. Men and ladies play at the same minimum yardage for the bonus prizes. Only one hole may be used as the top prize hole. Temporary greens and tee-off areas are excluded.
3. SHOTS - No practice shots or Mulligans are permitted. Only the authorized number of shots is permitted during the stipulated round(s) of the named tournament. A ball hit out of bounds, and the shot replayed, does not qualify. Each player takes one shot and one shot only at the prizes, unless otherwise specified.
4. ELIGIBILITY - The Hole-In-One must be shot by an officially registered competitor in a group of three or more. Twosomes are not eligible.

3. DISPUTED CLAIMS - All USA disputes shall be resolved by the laws and courts of Lee County, State of Florida. Canadian disputes shall be resolved by the laws and courts of The Province of Ontario. All parties are liable for their own attorney fees. HIO may, at their option and expense, require a polygraph test of winners and witnesses.

VARIABLE TOURNAMENT CONDITIONS

Any variation to the specified tournament data, postponement or cancellation due to weather conditions requires notification to Hole In One, Inc., prior to the start of the tournament. Telephone messages are recorded 24 hours a day, 7 days a week. Fax and e-mail transmissions are also acceptable.

NUMBER OF PLAYERS

The fee on the Contract is based upon the number of players submitted by the applicant. If the actual number varies by more than 5%, HIO must be notified and a fee adjustment requested prior to the event.

WEATHER CONDITIONS

If a tournament is cancelled due to inclement weather, the event may be rescheduled at no additional cost. If weather conditions terminate play during the event, a credit for the number of players who did not shoot at the prizes will be applied to the rescheduled event. If the event is not rescheduled within 90 days, a \$65 fee for administrative/signs/kits/freight will be applied and a refund issued for the balance.
